# BLACK SELECTION

# Powerful accents

Refined, elegant, yet also extravagant. The remarkable brilliance that adds such a luxurious touch to the bathroom is what makes the deep black, silk matt surfaces of BLACK SELECTION so striking.

A special lacquer coat makes them impervious, resilient and easy to maintain – ideal for both private bathrooms as well as furnishings for buildings. The velvety matt surface is remarkably pleasant to the touch.

# IXMO fittings

True to the motto "less can do more", the IXMO series of fittings incorporates complex functionality, producing a reduced and calm room aesthetic. The popular fitting design in the shower and bathtub is uniformly reiterated at the washbasin and bidet. For a uniform, integrated bathroom design in matt black, IXMO fittings leave nothing to be desired.

# EDITION 11

## fittings and accessories

The linear, understated design of EDITION 11 fittings and accessories is available in a strong, bold black matte finish. The deep black powder coating emphasizes the clear lines of the series. A symbiosis of form and colour that couldn't possibly be a better match. EDITION 11 in black matt offers impressive features for a strong accentuated bathroom design. A combination of the EDITION 11 fittings, bathroom furniture and washbasins, creates bathrooms with an architectural flair – straightforward and modern.

## EDITION 11

The star at the washbasin is the fitting. It makes an impressive design statement with its strong shapes at the brightly designed washbasin. Different spout heights of the single-lever basin mixers and the wall-mounted models offer compatibility with many different washbasins. The shower fittings appear in a minimalist design and sophisticated in function. Thanks to the modular system, up to three water outlets can be combined. A cast hose and a dousing shower can easily be added to the overhead shower for wellness applications at home.

EDITION 11 accessories bring high design standards to life. A special feature is always the straight-lined, angular profile.

- 1 EDITION 11 single-lever basin mixers
- 2 EDITION 11 single-lever basin mixer, in-wall
- 3 EDITION 11 Single-lever mixer for 2 water draw-off points with hand shower bracket
- 4 SPA hose with holder
- 5 EDITION 11 towel holder, 2-part
- 6 EDITION 11 towel hook, double
- 7 EDITION 11 towel hook
- 8 EDITION 11 tumbler holder
- 9 EDITION 11 lotion dispenser
- 10 EDITION 11 towel holder

## BLACK SELECTION EDITION 11

The free-standing bath fitting is really impressive. As a black matt solitaire, it has an effective appearance. The inlet and shower can be controlled via two separate levers and promise relaxing bath times.

A matching fitting for the bidet is also available. The toilet paper holder of this range forms a chic trio with the spare roll holder and the toilet brush – all in deep matt black.

- 1 EDITION 11 free-standing bath fitting
- 2 EDITION 11 single-lever bidet mixer
- 3 EDITION 11 toilet paper holder
- 4 EDITION 11 spare paper holder
- 5 EDITION 11 toilet brush set

# iLook\_move cosmetic mirror

The iLook\_move cosmetic mirror made by KEUCO impresses with its innovative hinge and LED light technology. But also the high-quality mirror surface with fivefold magnification as well as the slim, elegant design in round or angular shape, designed by the design office Tesseraux+Partner, Potsdam, leave absolutely nothing to be desired. The mirror shines with its sophisticated hinge technology, which allows the swivel arm to be adjusted three-dimensionally. Thus, the height of the mirror can be adjusted in different ways: it can be moved to the side and the inclination can be changed.

# REVA

## accessories

The practical little helpers in the bathroom: They may not be front and centre, but if they weren't there at all, you would miss them. For perfect functionality and individual bathroom design, it's the small things that ultimately make the difference. REVA means "the one that connects", and as a combination of design and function, it truly lives up to its name. With a matt black finish, they set powerful accents and play a key role in the bathroom design.

### REVA

The REVA assortment offers an appealing selection of accessories. Its special hallmark is its perfection in the details. At the washbasin, this is demonstrated perfectly in the lotion dispenser with practical single-handed operation and aesthetic, black-lacquered cup for easy filling. Because it is operated from below, wet hands do not splash water droplets on the surface of the dispenser. With the towel holders, one and two-arm models are available.

- 1 REVA lotion dispenser
- 2 REVA towel holder, 2-part
- 3 REVA towel holder, 1-part
- 4 REVA bath towel holder

BLACK SELECTION  
**REVA**

- 1 REVA toilet paper holder
- 2 REVA toilet brush set
- 3 REVA toilet paper holder with shelf
- 4 REVA spare paper holder

To furnish the WC area, the toilet paper holder is available either with or without a shelf. Even in the REVA toilet brush set with black-lacquered bowl, the perfection in the details is clearly recognisable: The removable synthetic insert is easy to clean, and the drip basin ensures that the toilet brush is always dry.

# PLAN fittings and accessories

What would a bathroom be without the matching accessories? In bathroom design, high quality bathroom accessories are essential to a harmonious overall picture. In black matt they add the finishing touch to the design and complete the furnishing concept. They are clever everyday heroes, they set special accents, and assist you as inconspicuous servants and convenient helpers. PLAN offers accessories with exactly such details, the kind one hates to go without – both for private bathrooms as well as for bathrooms in hotels and other buildings of all kinds. The design classic among the accessories with a fashionable look.

# Shower shelves

For the perfect blend between design and storage space: KEUCO shower shelves offer a lot of space, and with their fashionable look in matt black powder-coated aluminium, they are stylish design items in the shower. In addition to two different wall-mounting designs, with either drilling or bonding, there is also one that can be hung on the glass partition. In addition to the standard widths, shower shelves with widths of up to 1600 mm are also available. So there is space for all your care products. The care products are hidden behind the high face, so the shower always has a clean and tidy appearance.
